

About Darsana Society

Darsana is a Charitable Society registered in Palakkad. The society has a membership of 1,000 engineers from alumni of NSS College of Engineering, Palakkad. The emotionally bonded members wear different caps -as think tanks for Project Development, Strategists in churning out impactful partnerships, resource mobilizers for ground implementation etc. - in contributing to achieving the vision and objectives of Darsana .

The members of Darsana span from IAS Officers to CEOs of IT Companies to reputed Professors, IT Professionals, Business Leaders, Entrepreneurs, Marketing Professionals, Research Scholars, Scientists, Chief Engineers, Marine Engineers, Govt Officers etc

The rich expertise of Darsana members covering Civil, Electrical, Information Technology, Electronics, Mechanical, Instrumentation, Bio informatics, Public Administration, Business Management, Project Management etc. offers unmatched capability and resource base in successful project delivery. Darsana differentiates itself with its capacity to stitch together a multitude of stakeholders engaging in project development and on-ground implementation to ensure impactful project delivery.

Being an organization founded by engineers, Darsana is always focused on fostering the development of Kerala in a variety of ways. A well organized "UAE Sangamam" was arranged by Darsana UAE chapter at Dubai, in which many proposals and approach papers on Transportation development, Waste Management, Career Opportunities in UAE etc were presented by our members to Mr K N Harilal, Planning Board Member and honorable speaker of Kerala Assembly, Mr Radhakrishnan

Within a very short span of time, Darsana has grown into an effective organization with live and active chapters in various parts of the world including UAE, Oman, USA, Canada, Qatar, Saudi Arabia, Kuwait, Mumbai, Bangalore, Cochin, Calicut, Kannur, Palakkad, and Trivandrum..
